A DRUNKEN POLICEMAN Shoots and Perhaps Fatally Wounds a Peaceable Citizen.

NO PROVOCATION FOR THE ACT -THE OFFICER VIO LENTLY BESISTS ARREST, BUT IS FINALLY LANDED BEHIND THE EARS-HE SAYS HE DON'T

had ever received before for the same period, and prosperity proved too much for him. He went on duty, got drunk and used his pistol in a manner that is likely to result in the death of the late war, who holds a clerical position in At 6 o'clock last evening Burns was perfectly sober. He answered roll call in the station, and marched up 12th street toward his beat with his brother officers.

HE TOOK A DRINK. Not long after going on duty he left his beat and got a drink of whisky, which sharpened his appetite for more, and exactly how much more he got he probably does not know. He remembers, however, when he got his last drink, and it will in all probability be some time before he will get another. The shooting occurred just in front of the Fredonia flotel on H atreet northwest, between 13th and 14th likewan librars, who had just turned in at 13th. ers, and several of the ladies, among them being several from Hartford, had attended a

to the old skating rink on New York avenue, now occupied by battery A, Light Artillery. there was something wrong with the paid guardian of the peace, as his conversation was that of either a crazy or an intoxicated man. Burns disappeared and left the ladies standing at the door of barracks, where they were found by three young men of battery A. The ladies told them where they wanted to go, and the young men escorted them across New York avenue, passing the New York Avenue Presbyterian Church, and went with them to the door

The drunken policeman had reached there getering increased the higher was increasing its there had been no violence attempted, nor had it even been intimated that there would be trouble. Officer Burns was then off his beat. Policeman Eaton was not far off while all this was going on and his attention was first attended by the letter against a specific property of the fort and was going on and his attention was first attended by the letter against rive left the fort and was going on the letter against the letter of the fort and was going on the letter against the letter of the fort and was going the letter of the fort and was going the letter of the letter o

him since 6 o'clock, when they went on duty together, and the letter carrier told him that

when he was met by a citizen who shouted:
"Run quick, there's a drunken policeman around the corner clubbing a weman." The The officer then hastened his footsteps and he heard several tools of a whistle. When he reached the hotel he found Larns standing in a group of persons with his hands at his side. He did not see the pistol. "What's the matter, Eurns?" he asked.

"Oh, nothing," replied the intexteated man, these people are trying to do me; that's all." Capt. Miller was then standing on the con-crete pavement near the curbstone, and fearing the drunken man would do some damage he re-marked: "Take that pistol from him." AN UNPROVOKED SHOT.

Officer Eaton had time to see the left side of Cant. Miller's neck. Then followed a fierce struggle for possession of the weapon, and Policeman Eaton's good management alone prevented Burns from shooting some one else. The shot had hardly been fired before Eaton dropped his baton and grabbed the pistol with both hands. During the struggie hands upon the weapon in such a manner that Burns could not discharge it. While this struccle was going on Policeman Pearson, on scene, and Eaton called to him: "Grab him; he's killed a man." Pearson did as instructed, and Burns kicked him twice in the groin, caus-

All this time Capt. Milier was being cared for by people in the hotel. Rev. E. Payson Hammond, the evangelist, was among the first to Thompson remained with him most of the night. Capt. Miller had attended a meeting last evening and was on his way to his home, No. 814 13th street, when he received the dangerous

WHO OFFICER BURNS IS. er Barns is not yet twenty-five years old. He wasborn in Ireland and had only been in this country about five years. His uncle, quarters, was instrumental in securing his ap-pointment. The prisoner, it is stated, came pere and joined the army for the purpose of getting on the force, and the character stated in his discharge was "excellent." pointed a member of the force the 1st of last

This morning Lieut. Amiss, his commanding officer, turned in his equipments to headquarters, with the following report:

intoxicated and without provocation shot Mr. James M. Miller, and, it is said, fatally injured him. The wounded man was taken to Gar-STAR is not only the largest and fullest, but it is also the BEST, since the paper goes not alone into the hands of the people of the District of field Hospital. Burns was placed under arrest,

patrol box. He thinks he was drugged.

IN THE POLICE COURT. When the prisoner was taken to the Police Court today he was put in one of the cells with other prisoners. A warrant charging assault T. Thomas, for information as to the way the with intent to kill was filed and he was committed to jail without bail. He was not repre

MR. MILLER'S CONDITION CRITICAL. Dr. Thompson made an examination of the wound this morning. It appeared from the examination as though the bullet had injured the windpipe and passed downward and done irreparable injury to the lung.

The patient's condition was extremely unfavorable and but little hope of his recovery was

trict attorney's office reached the hospital this body although his mind was perfectly clear. is his explanation of the shooting of Capt. Miller. given as follows:
"I was called out of the hall of the Washing-

ton light battery and cavairy troop on New York avenue, by a fire alarm from Box 123 and I application of it. It is the business of the went to the fire. I same back by way of G street Commissioners of the District of Columbia to made the military movements without a break went to the fire. I came back by way of Getreet to the corner of 13th street, where I met attend to the distribution of the money to indithree men, one of them in policeman's uni-form and two men in citizen's dress, all very position.

on H street northwest, between 13th and 14th streets, and was witnessed by more than a dozen persons. The affair caused a great deal "As I rescoming out of the alley on H street ment at the time and one man in the | from Cooper's stable I heard a distress call and crowd went so far as to suggest that the officer saw a crowd in front of the Old Ladies' Home ought to be lynched. Among the guests at the Fredonia I went into the Fredonia I went into the Fredonia and asked the privilege of the use of the teleatending the convention of Christian Work-

Being strangers in the city they were not sure that they were on the right road to the hotel and the officer was asked to give them the necessary directions. The ladies evidently did not notice his condition when they made the request, and his willingness to go with them to the hotel made it appear that he was all right. Instead of taking them to the hotel hotel hotel hotel hotel hotel condected by batters.

Burns standing on the side-direction of the Old Ladies' Home; he was the quite a crowd and I saw a large policeman coming across from the direction of the charch. I stopped up to him, put my hand on his arm and told him that the man (Burns) was drunk; that he had better lookout as he had got a revolver and it had better be taken from him. I immediately heard the report of a revolver, and I hotel made it appear that he was all right. Instead of taking them to the hotel he led them to the old skating rink on New York avenue, now occupied by batters. station for the patrol wagon and officers, the patient continued, "I went out and saw Policeman Burns standing on the sidewalk in front of the Old Ladies Home;

sition was taken that the police knew of the

SENT TO THE SMITHSONIAN. Sandstone Tablets Found in Illinois Containing Strange Inscriptions.

The sandstone tablets recently discovered several feet in the virgin soil under an old decayed stump on a farm near Laharpe, Ill., have been sent to the Smithsonian. They contain characters that are attracting attention of naturalists and antiquarians. The two tablets are of sandstone eleven by ten and one-half inches thick. One end is inscribed with some unintelligible words and in Roman capitals the date June 11, 1715. Lying on the edge of the tablets and partially overlapping them were found a first arrow head and three first sprawls, doubt-limited partially overlapping them were found a first arrow head and three first sprawls, doubt-limited partially overlapping them were found a regimental organization proposes to have a reunion here when the G. Last summer Mrs. Laughton contemplated a visit to Europe to join her daughter, but she had to give up the trip by advice of her physi-

The deceased was the daughter of the late Charles Macalester, for many years one of Philadelphia's best known citizens. From the sylvania avenue; W. J. O'Callahan, 1931 E; L. J. W. Werner, 2006 I; Charles Klotz, 1708 G; When the Mount Vernon Association was or-When the Mount Vernon Association was organized for the purchase of Washington's country home she was appointed to represent Pennsylvania on the board of direction, under the title of vice regent, and the honor thus bestowed upon her bore good fruit, for from that time she evinced the deepest interest in the aims of the association, and, in 1873, was elected its regent. She remained until the very last the leading spirit of that band of energetic women. She was twice married, her first husband being M. Bergmanns, the Belgian diplomatist. Some years after M. Bergmanns Edward Murphy, 1109 21st; E. C. E. Ruppert, 1724 Pennsylvania avenue; C. F. Sherwood, 1000 27th; Margaret Calvin, 2403 I; T. P. Ryan, 24th: Chas. Rupertus, 1908 Pennsylvania avenue; Henry Jacobsen, 1227 20th; J. J. Fianagan, 1714 F; Jno. Creaven, 360 26th; Thos. Joyce, 1103 18th; Susan Knight, 1160 19th; Barbara Hoderman, 1743 Pennsylvania avenue; Frank Gallagher, 1136-21st; Carl Gains, 1916 M; Wm. Dietz, 1716 Pennsylvania avenue; Dennis Con-nor, 2609 Pennsylvania avenue; Jno. M. Buckdiplomatist. Some years after M. Bergmanns death she was married to Mr. J. Scott Laugh ton, who lived but a short time, dying in Al-giers, whither he and Mrs. Laughton had gone to spend a winter. She leaves one daughter, Madame de Pedroso (nee Bergmanns). 912 New Hampshire avenue; J. J. Noonan, 901

> often received Americans and foreigners of note. She was a very welcome guest at the White House during a number of administra-tions, and one of her closest friends was Mrs. Cleveland. Mrs. Cleveland and Mr. George W. Childs stood sponsors when Mrs. Laugh-ton's first grandchild, a daughter of the de Pedrosos, was baptized. Although making her winter residence in Washington, she kept up her home ties by spending a great portion of each summer in the picturesque Macalester mansion at Torresdale. Here she was near her relatives and some of her intimate friends.

Anna Warmkessel, 616 K; Wm. E. Skelly, 100

the people of Chile. He has always regarded America will only wait the greatest sympathy. If America will only wait the time sufficient for the necessary inquiry to be made she will find that most impartial justice will be dealt out.

"Is there any member of the present Chilean are the control of the present Chilean are the present Chilean are the present chile of the present Chilean are the present chile of the presen J. E. Turner, 1005 7th; J. I. Wilson, 1104 8th; government antagonistic to the United States?

asked the correspondent.

'Not a single member," said Senor Matte.

"Nor yet is there any anti-American party in Chile. If America will only wait the time necessary for inquiries to be made most impartial justice will be given. We are absolutely averse to mixing ourselves up with foreign politics.
At the present moment we have more than
enough in trying to obliterate the effects of the
past misrule. At fome we seek noither trouble

Senor Ramon Subercaseaux, one of the be known and most representative members of the Chilean colony in Paris, known alike in so-cide and political civeles as an able writer, re-flects the Chilean sentiment here. He said: "There is an important Chilean colony resident here in Paris. There has been a deal of con-versation in our club about the late riots. The trouble is greatly exaggerated. There is no feeling antagonistic to the United States in

Hope, county; John H. Gates, 1225 11th; John "Mr. Egan has intentionally, or uninten-"Mr. Egan has intentionally, or unintentionally, overstated the condition of affairs. All persons who know Valparaiso are aware that the place where the row took place is a notorious meeting place of low women and sailors. There have been terrible fights there over and over again. Chilean and English sailors and those of other nationalities got into murderous fights there. The place is in calle Del Clave and is one of the lowest haunts in Valparaiso. "How do you look upon the row?" asked the correspondent. B. B. Ernshaw, 1021 M; J. J. Green, 911 7th. Thos. B. Howard, Good Hope road, county; Smith, Harrison street, Anacostia; Geo. F. Frederick, Harrison street, Anacostia; Geo. F. Frederick, Harrison street, Anacostia; D. Cristofani, 100½ C; J. H. Evans, 38 N.

There remains to be acted upon but four precincts, and Commissioner Douglass hopes to clear up the last by Saturday. It has been definitely settled not to license any saloons in Hell's Bottom, which embraces that section

orrespondent.
"It's a mere sailor's debauch. We do not "It's a mere sallor's debauch. We do not believe the evil side given out will hold good. If good reason is shown the Chileans will promptly apologize."

"Look at the case of the two German officers who were insuited; how promptly reparation was given. If Egan were removed comorrow the whole cause of the trouble would be re-

in politics, supplying Balmacoda information through an American admiral and of the movewas made allowing Mr. Thompson, receiver of the ments of the congressionalists. He has never attracted sympathy, and has, by his unfriendly manner, done much to mar the commercial reations between the two countries.

> At 2:05 o'clock this morning a fire took place at 717% 20th street northwest, caused by hot shes placed on the floor of the summer kitchen. The flames spread to 715, 717, 719 and 721, adjoining, all of which were more or less damaged, and were extinguished with a loss of

damaged, and were extinguished with a lose of \$800. Mr. Byram ewned 717½ and it was occupied by Mr. Lambkins.

About 6 o'clock last evening the stable in the rear of 624 F street southwest, owned by G. W. Nash and occupied by F. Einstein, was discovered on fire and before it was extinguished several hundred dollars damage was done.

At 9:15 n slight fire took place at the house of Mrs. G. McKnight, 707 G street northwest.

At 7:30 o'clock this morning a fire took place at Wyatt's salcon, 13th and D streets northwest, caused by the sawdust on the floor taking fire from a lighted match, and about \$10 damage was done. No alarm was turned in.
